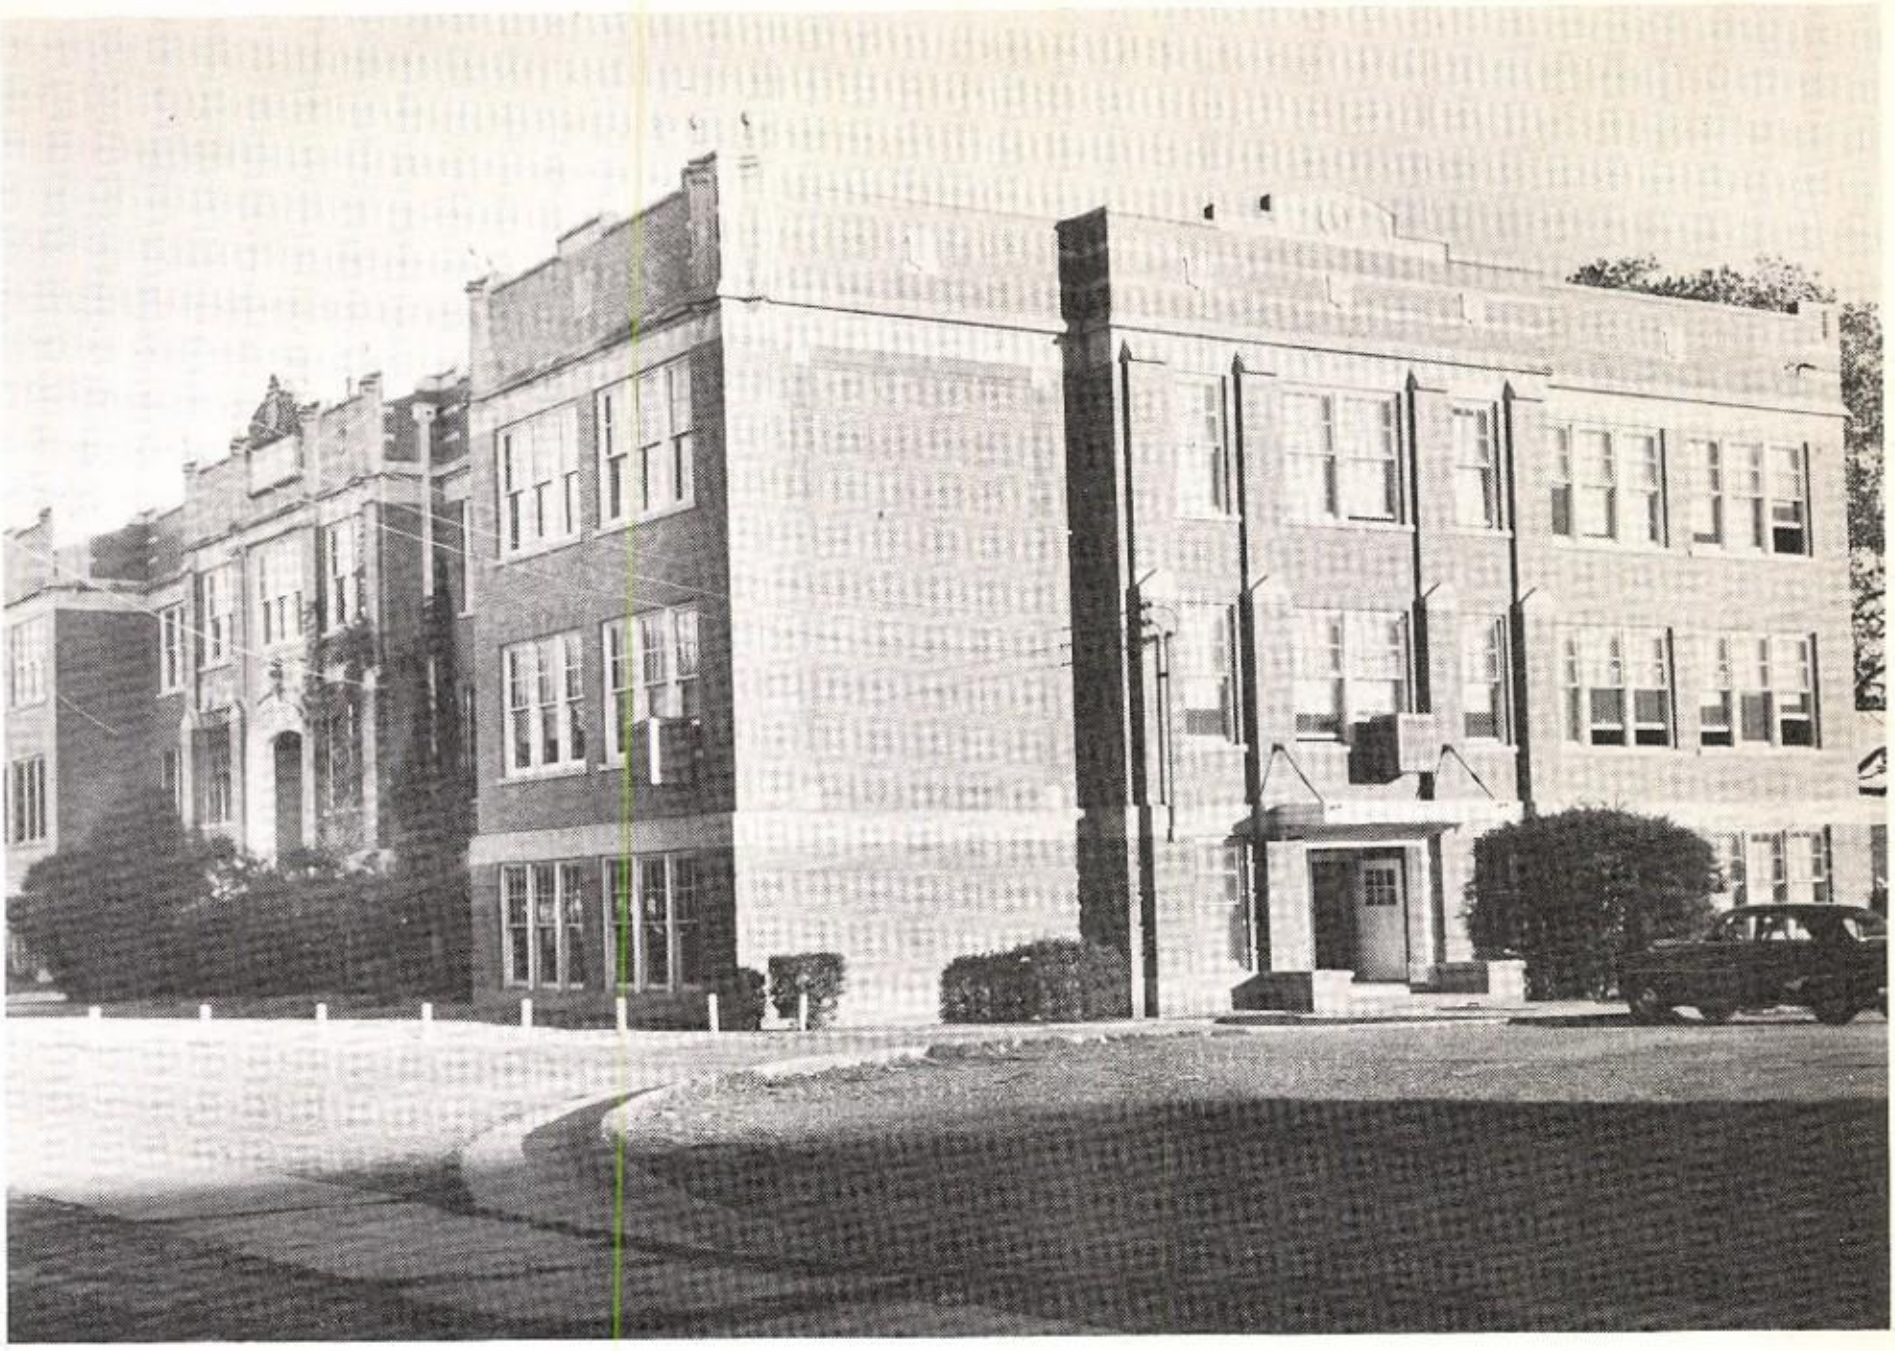
THEE. MAY THE BONDS OF LOVE — BE ALL ELSE A-BOVE, DEAR OLD HILLS-BORO HIGH.



For You - - -

The students of H. H. S., we hope to have preserved the cherished memories of your high school days of 1958-59. May it recall to you your classes and quizzes, the days of football games and pep rallies, the times we held school elections, the fun of class plays, the night of the Junior-Senior Prom, and the days when you were.....

PRINCIPAL'S OFFICE

Superintendent's Message

All service and all achievement, great or small, demands some sacrifice. The work that precedes the publication of a yearbook requires that some responsible hands love to work. The greater part of the compensation for this task will come to those who have developed a wholesome attitude toward work.

Gratitude will be one of the varieties of fruit that will surely come from this labor. The extend of the harvest of this reward will likely be in preparation to the satisfactions experienced by each individual while at work.

M. L. Brockett

Principal's Message

Never before have people been faced with such drastic social and economic adjustments as now. We must prepare for the Atomic Age and look forward to the Space Age.

If we are to stay in step with these changes, we must have as many tools of learning as we can get. If one is motivated to put forth every effort to achieve up to his maximum, he may find a place in future society; if not, he will be left behind.

It is our desire and purpose to help, train and encourage our students to achieve the knowledge they must acquire to make a place for themselves in the future.

Dear mr. Harwell,

I have thoroughly enjoyed being one of your students in band this past years. I will take heed to all the advice you aided me with and I have really appreciated your correcting me, the majorettes, when we needed it. I know I speaks for them when I say "Thanks" for everything. you Really have had the patience noone else could ever possibly have with us. I hope that you will continue to keep correcting us next year. Now I want to wish you all the luck in the world I hope that we will see you again next year.

Editor's Note

This is your high school life, classmates! We, the staff, hope through all of these efforts we've done our part toward keeping aglow that spark of friendship which smoulders in the heart of every H. H. S. Eagle. As you look back over these pages you will meet again the faculty, classmates, and long remembered friends. As you look again you'll see some of the happiest moments of your life.

We have striven simply to write indelibly into these pages the life of H. H. S. that you will want to remember.

To our sponsor, Mrs. Ruth Kendrick, and the many people who so willingly co-operated with us, we say thanks again and again for your endless efforts.

Linda Morris

Dear Mr Harwell,

I have really enjoyed Band this year with you as our director. I appreciate your organizing the Stage Band. It has meant a lot to me. We have all enjoyed your working with us, and I hope you have enjoyed being with us. I'm looking forward to next year in the Band (in spite of my note) for it is one of my best liked classes. Always remember me as one of those "horrible sax players in your 1958-59" band. Best of luck always to you.

your friend,

Carolyn Frank

Dear Mr. Harwell,

I sure have enjoyed playing under you in band. I had a lot of fun doing it.

Jackie Wheeler

"your Baritone player"

P.S. I hope you will be with us next year.

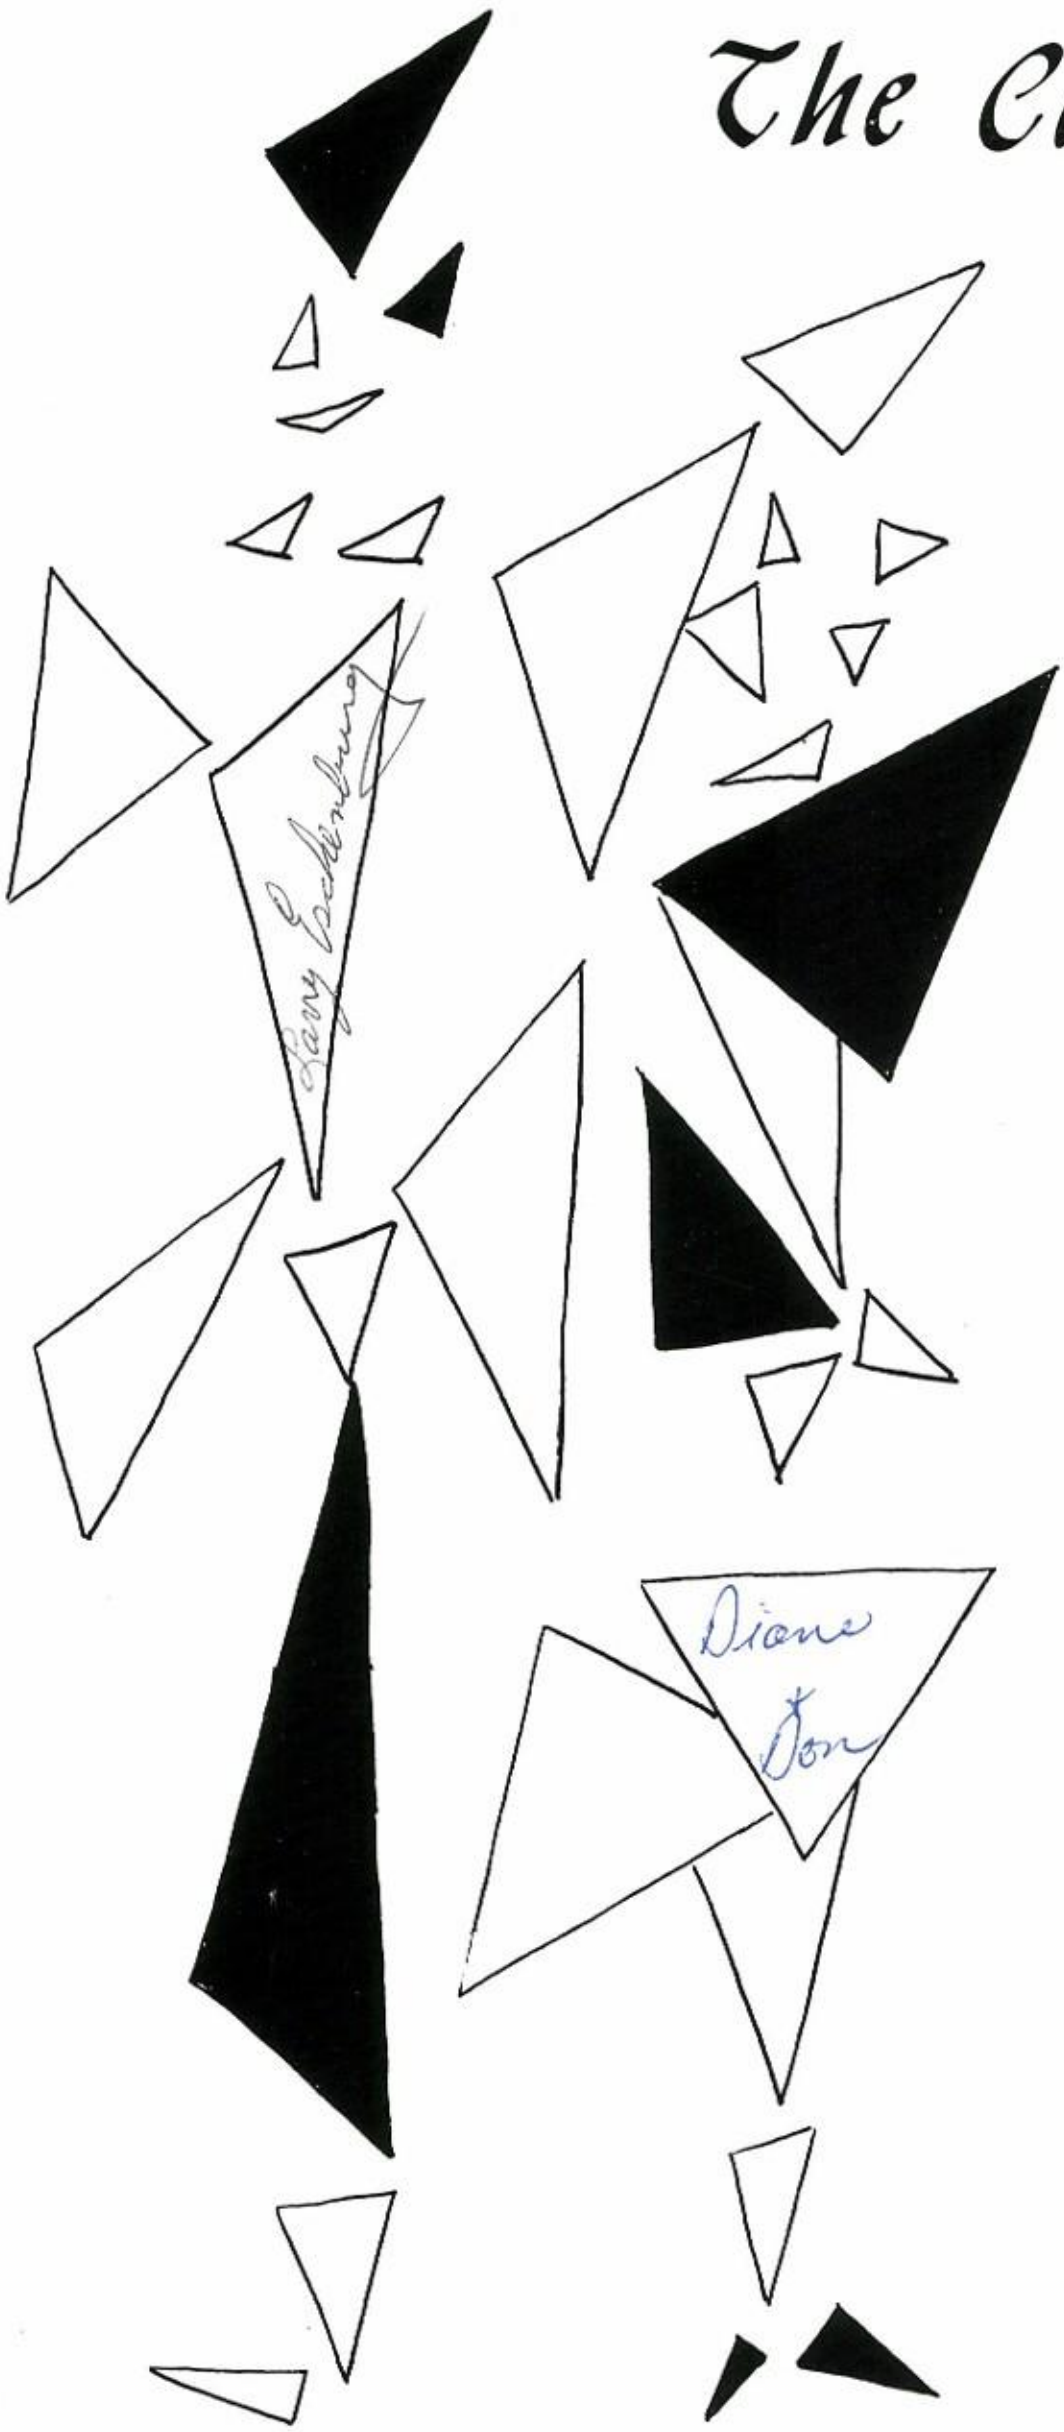
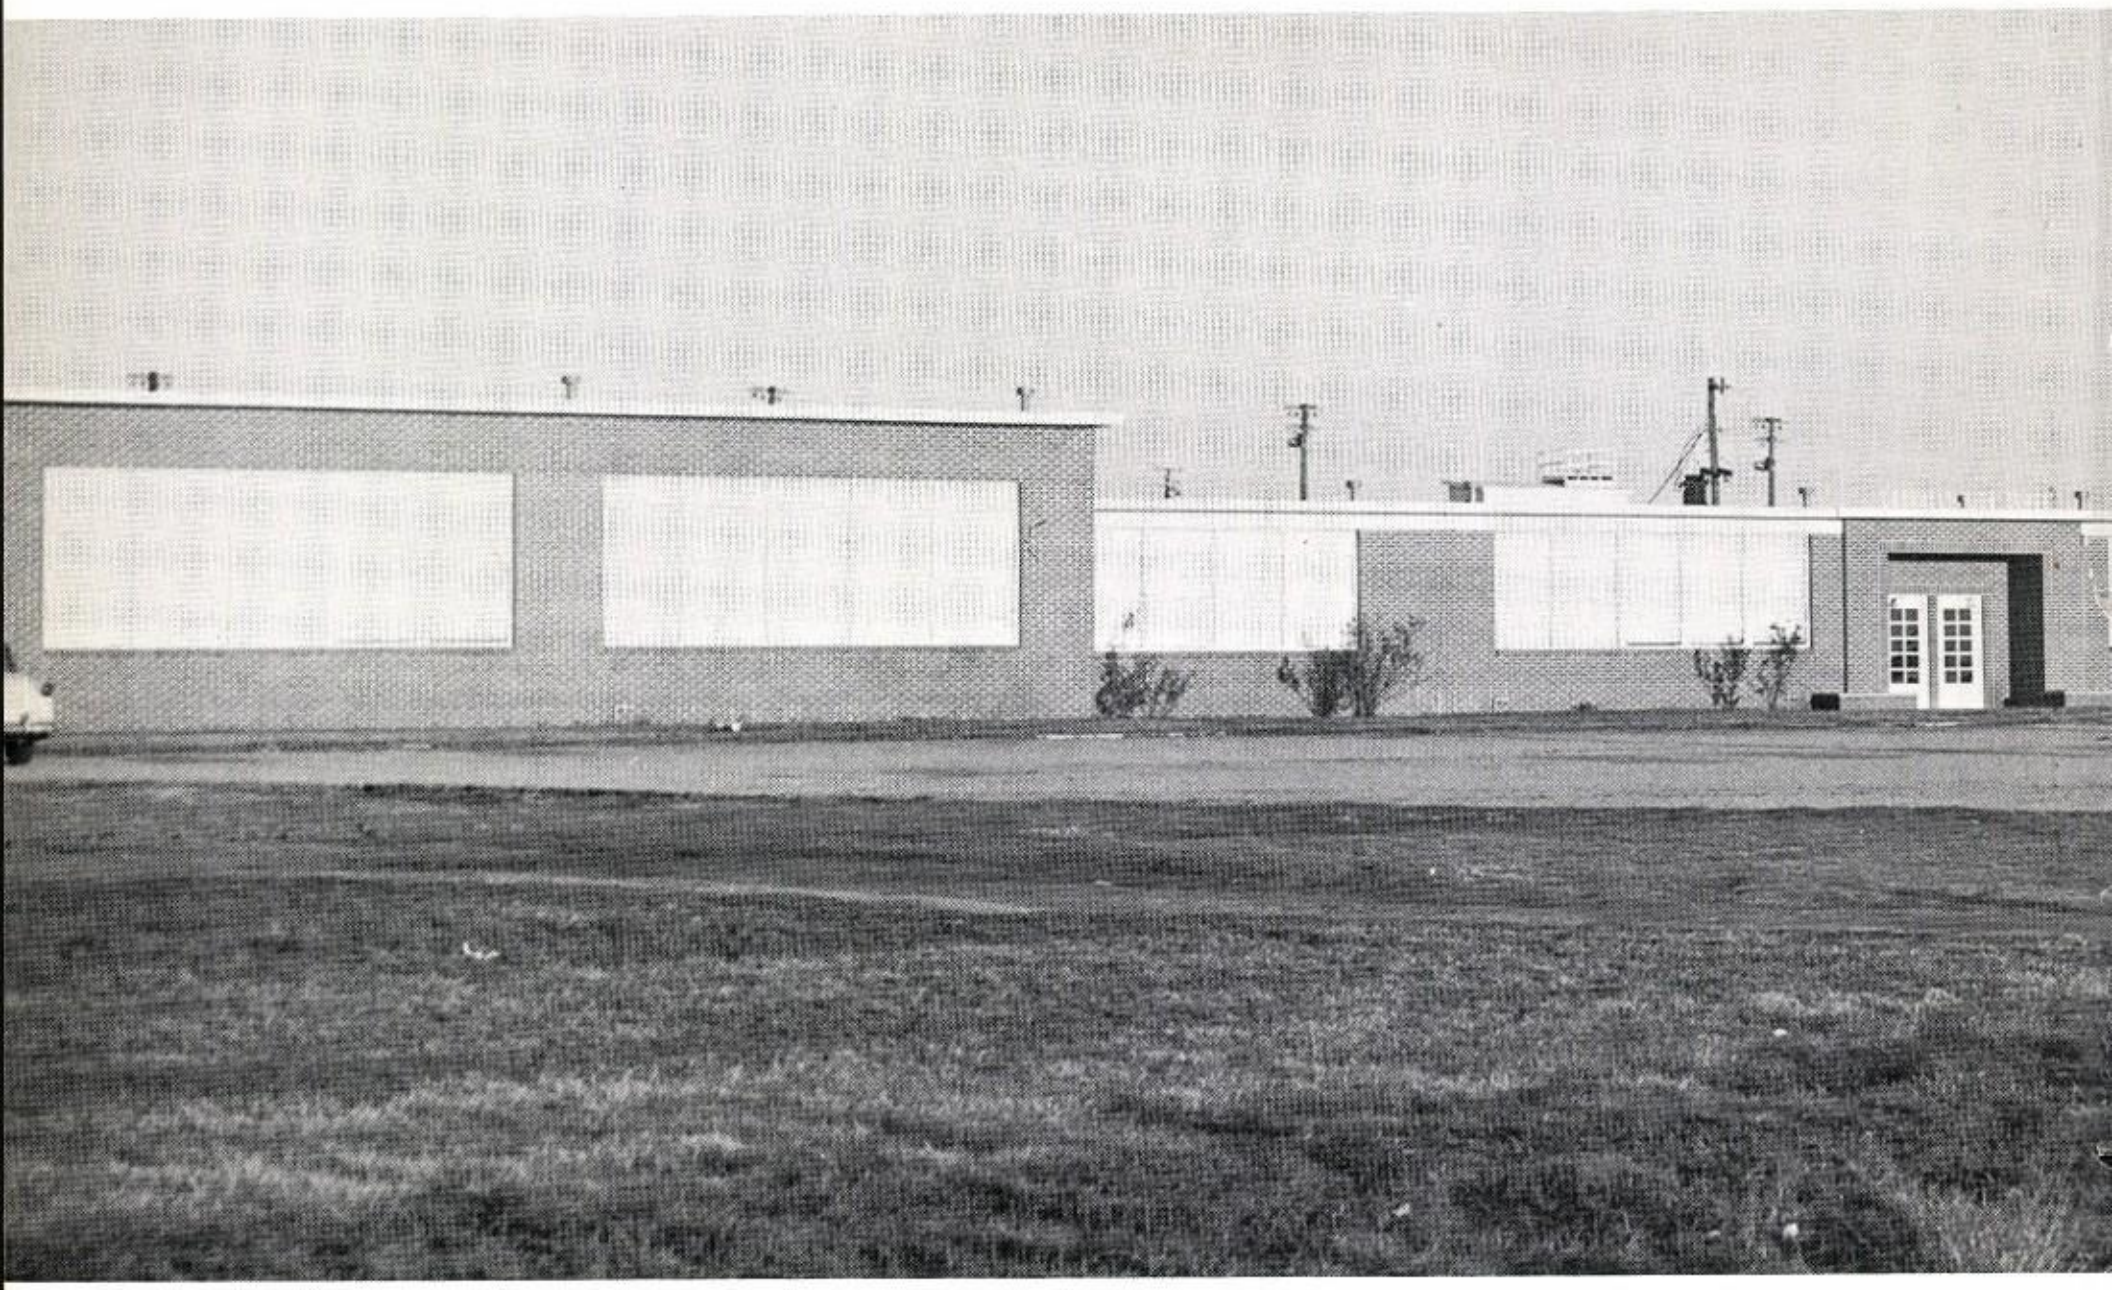
The Cadet



1964-1965



Within the pages of this book are the hopes, dreams, and ideals of the Class of 1965. We have tried to give you an insight into the real character of the school and people who make up this yearbook.

Getting this far has not been a one-man job but has been achieved with the help of our principals, teachers, and classmates. We could not have made it without them, and we have appreciated their help more than words can express. As we go into a competitive world, we shall realize this fact more and more. In every position imaginable, you must come in contact with people, and there is not a better place than school to learn how to get along with people.

Today, more than ever, business demands a high school education in future employees, but also a college education. That is why it is so necessary for us to seek higher education and thereby be better equipped to enter the business world.

High School

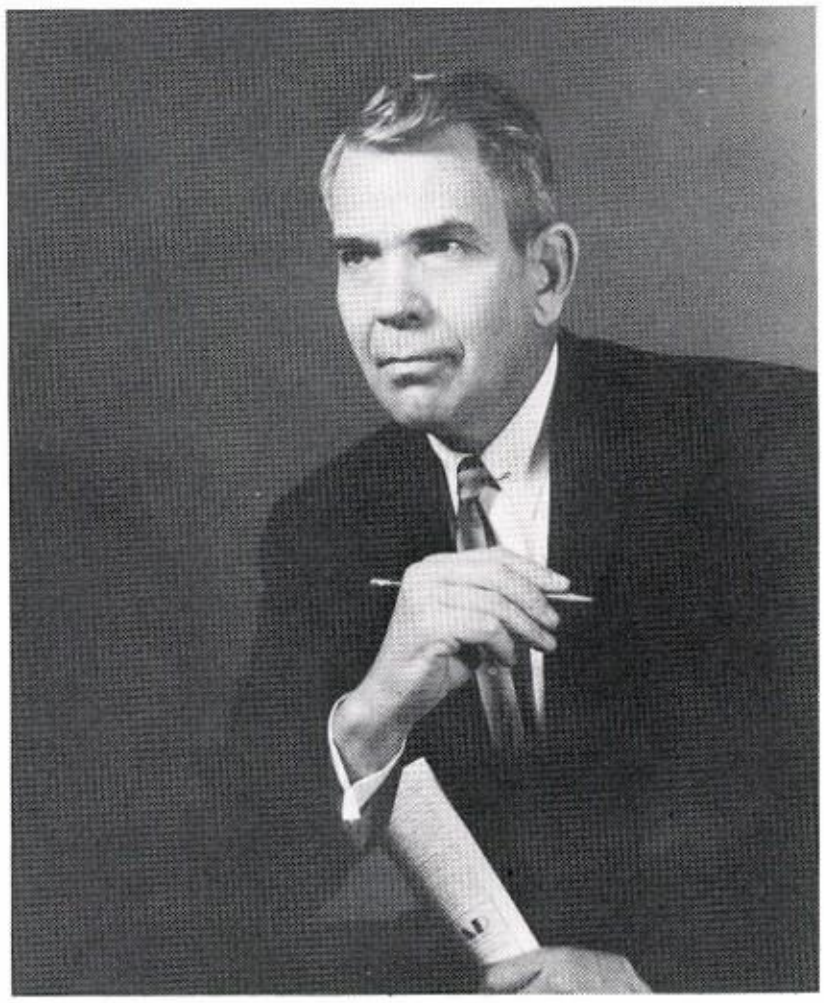
To the future graduates of Connally High School, we leave this thought, "Education is your key to the future." It was with this thought in mind that we prepared this yearbook. Now we present to you the '65 CADET; use it as your inspiration and key to the future.

THE ANNUAL STAFF

School Song

The memories of school days will always be gay,
So raise high the colors, the blue and the gray,
Our dear Alma Mater, our own Connally School,
May she ever more flourish and ever us rule.

Mr. C. T. Warrington
Principal
Connally High School



Dedication

With sincere feelings, the Class of 1965 is happy to dedicate the CADET to our principal, Mr. C. T. Warrington.

Mr. Warrington came to Connally in September, 1961. During the past four years, Mr. Warrington has devoted his time and efforts toward the betterment of our school. We, the Senior Class, wish to extend our thanks and appreciation for his continued interest in the students of Connally High School.

Principal's Message

To the Student Body:

The splendid effort displayed by our students has produced a happy and successful school year. The basic scholastic accomplishments were blended with extra curricular activities.

The annual staff has worked diligently, and I would like to congratulate them. The 1965 CADET is an excellent pictorial review of the school year.

To each of you I wish a happy future. I hope your experiences have contributed to the attainment of your individual goals.

Sincerely,

CORONET STAFF

The Coronet Staff is one of the busiest organizations in the school. The Staff has one class period a day to work on the paper. During this time they collect information and turn it into stories. The stories are then put on stencils and run off. Many times the one class a day is not enough and members of the staff have to come to the school on Saturdays and early in the mornings to get the paper ready to sell. The members also collect Junior High news and add this to the High School Paper that is sold in the Junior High.

FUTURE HOMEMAKERS OF AMERICA

The Future Homemakers of America Chapter of Connally High School received its charter in 1951. Since that time it has been affiliated with the State and National Organization.

Membership is open to any student who has taken or is taking a homemaking course in junior or senior high school. In 1960, the organization was divided into two chapters. The junior chapter is made up of freshman students while the senior chapter includes students in all other grades in high school.

The eight purposes of the organization may be summed up in this statement: "To promote better personal, family and community life for all."

The Connally Chapter in cooperation with the FFA Chapter operates the concession stand at all home football games, takes Thanksgiving and Christmas baskets to needy families, makes an Easter egg tree which is taken to a rest home, and participates in other activities.

FUTURE FARMERS OF AMERICA

The Future Farmers of America is a national organization for boys studying vocational agriculture.

The Connally Future Farmers of America Chapter was first organized on October, 1952.

The foundation upon which the Future Farmers of America organization is built include leadership and character development, sportsmanship, cooperation, service, thrift, scholarship, improved agriculture, organized recreation, citizenship, and patriotism.

There are various contests throughout the year that the boys enter in order to achieve these goals.

Seated: J. Vaughn, G. Beson, A. Posey, P. Williams, B. Veltri, D. Williams

THE SPOTLIGHT CLUB

The Spotlight Club, which is the newly named speech club, serves several purposes: to encourage more students to become interested in the arts of acting and speaking, to help interested students learn and practice parliamentary procedure, and to encourage more students to take an active part in Interscholastic League activities. In general, it is designed to interest Connally students in all forms of oral communication.

One project of the Spotlight Club was to sponsor an evening of one-act plays produced by the drama classes.

Spanish Club

Top Row: R. Marek, R. Mills, F. McCurdy, A. Crider, D. Cookman, A. Posey, C. Veltri, M. Cookman, D. Hughes, D. Burkett, D. Griffin, R. Cantu, A. Rodgers

Middle Row: Mr. Beaird, B. Colsten, S. Barton, D. McMahon, J. Michael, B. Collins, B. Tracy, V. Bullock, D. Gifford, D. Wrbas, L. Cardwell, S. Futch, B. Marek

Seated: B. Smith, O. Chai, B. Johnson, J. Vaughn, C. Hampton, R. Schuetz, G. Beson, A. Cantu, C. Medina, T. Eclavea, C. Flanagan

The Spanish Club's threefold purpose -- to develop an understanding of the Spanish language, to understand and appreciate the customs of Spanish-speaking countries, and to promote the good-neighbor policy -- is accomplished through study and social activity in a friendly and enjoyable atmosphere. Club activities this year included discussion, study, a welcoming party for new members, and a swimming party.

The Spanish Club develops the understanding of Spanish through its connection with the Spanish classes and by discussions in Spanish. During club meetings the basic Spanish customs are explained, and the good-neighbor policy is demonstrated by extending honorary membership to visiting exchange students. The upholding of the principles of the Spanish Club Purpose develops the character which Americans must have in today's world situation.

LIBRARY CLUB

The Connally High School Library Club consists mainly of active library workers, but a student may become a member by having completed a semester of service in the library the year before.

The Library Club's purpose is to acquaint students by experience with the running of a library. Participation in the Library Club enables students to perform reference work swiftly and conveniently.

The Connally High School band, under the direction of Mr. Perot, has achieved much recognition as a hard-working group that supports school spirit in every way. The spring concert contest was held at Connally this year, adding to the band's fine record. This year the band took honors by winning Sweepstakes, which is placing a 1st division rating in all areas of Interscholastic League competition. The band certainly deserves the respect and admiration of the school.

CONNALLY TENNIS TEAM

For six years now Tennis has been a part of the Connally High School Athletic curricular.

Tennis at Connally is made up of two divisions, a Senior Division, mostly for Seniors and Juniors and a Junior Division made up of Freshmen and Sophomores.

The Team has been District Champions for four years out of the six in which they have existed. They have been Regional participants for five years.

Jimmy Zahirniak was the first Tennis Team member from Connally to reach semi-finals in Regional at North Texas (Denton) in April, 1965.

Connally High is proud of the Tennis records that have been established.
